Wellington April 16th 54

ter of the 11th last night  
very indeed to hear that  
wholly unprepared for  
had just been here  
tten to him, he said  
it would not be  
iness, I want to come  
we had a horse but we  
sible to get one for  
d get one it would  
t, but I shall be under  
me, I have been very  
and and hurt one  
hardly got over that fall  
d my other foot, and  
it for the week past it  
hear from you very much  
as so much to do that  
write, I want you
